Aerial View

SIOUX CITY MUNICIPAL AIRPORT

Located South of Sioux City, Iowa, reached by the New Interstate Freeway and Hwy. #75. — Second largest city in Iowa, recognized as one of the leading livestock and meat packing centers — 300 manufacturers produce products that serve the world.

One of the country's finest — Sioux City Municipal Airport covers 3000 acres, with 9000 feet of concrete runways, 1000 foot overrun at each end, equipped to handle all classes of air traffic. Home of Airways Service, Inc., Sales and Civil Aviation Service.
